

Highlight of Partnership Program

Guiding Farmers

Since 2016 BTN has assisted the development of 20 citrus farmers in Bangli District, not only helping the capital aspect but also encouraging farmers to innovate by processing the oranges they produced beside of selling fresh oranges.

For this reason, BTN has been collaborating with PT Permodalan Nasional Madani (Persero), and engaging experts in the field of food processing, conducting training on "Practicing the Making of Orange Pie" as a diversification of farmers' income. The training which was attended by 20 guided partners was carried out on May 8, 2018, with the aim that farmers are able to develop value-added products with oranges as their core product.

Guiding Craftsmen

Capacity building for MSMEs is also carried out by BTN in collaboration with PT Permodalan Nasional Madani (PNM) to advancing Micro and Small Enterprises (MSEs) by conducting training and mentoring of brass-cast craftsmen.

In August 2018, BTn and PNM held capacity building activities in Bejjong, Trowulan, and Mojokerto for the BTN's partner.

COMMUNITY DEVELOPMENT PROGRAM

The Company's Community Development Program (BL) is a community empowerment program that has the main objective to help improve the welfare of the community, especially the communities surrounding the Company's operational areas.

The Community Development Funds are channeled through various assistance activities, including education and training, public infrastructure and facilities, religious and worship facilities, and community health and social development for poverty alleviation.
